With the above,

favorable consideration
an application from Colonel
J. Rutherford, Asst
Supt. Impose Revenue

3 months' pay on his
retirement from Impose Service
on 1st
November next.

2. The grounds
upon which Col: Rutherford
bases his claim are—
(a) That he has

√ Service of 27 years.

(b) That he has been compelled to retire from Empire Service

(c) That he has to revert to military duty on a lower rate of pay. and

(d) That ~~a~~ similar honours were granted to all the Officers of the Survey Department without exception

3. The Supt testifies to the extraordinary efficiency with which this Officer has performed all his duties during his long Service of 27 years and adds that no officer in the Department has carried out more valuable work for the Empire State than Col: Rutherford.

He consequently very strongly supports his

3

application for a bonus of 3 months' pay, which has been, without exception, granted to all Officers hitherto retired and on far less cogent grounds.

4. The Lower Officers whose were granted bonuses on their retirement from Imperial Service are the following:—

Part III 1. Captain R. L. Price, A.P.M. Inspr.

" 2. Major J. B. Laurence —do—

Part IV 3. Major A. McCally —do—

Part V. 4. Mr A. G. Hudson —do—

Part VI. 5. Lt Col. G. Mackenzie, A.P.M. Settlement Officer.

Part VII 6. Lt Col. D. Comrie, A.P.M. Inspr.

7. Mr J. P. Barker, A.P.M. Settlement Officer.

Part IX 8. Mr E. W. Butcher —do—

5th In the case of Captain Price (item 1), it is remarked that the bonus of 3 months' pay has been allowed only to the officers permanently employed in the Survey service on the occasion of their being thrown out of it; that it cannot apply to the Survey officers whose employment is strictly of a temporary nature & that in the case in question Capt. Price leaves the dept at his own request. In consideration, however, of his good services & of his having lost the benefit of privilege leave, a bonus equal to his two months' pay (without tentage) was sanctioned. Vide Secy. to Govt. No. 2795-6 of 39 15th July 1882.

+ Part III Serial No. 9

6

6. In the cases of Majors J. B. Lawrence and A. McCall (items 2 & 3) the remarks made in the case of Captain Price were repeated, but having regard to the sudden manner in which the services of these Officers were replaced at the disposal of the Military Dept. a bonus of 3 months' pay (exclusive of fixed travelling & tentage allowances) to each of these Officers was sanctioned. Vide Pro. no. 4289-90 of 13th Nov 1883

Part IV Serial No 9.

7. Lieut. A. G. Hudson (item 4) was also one of the Officers whose services were placed at the disposal of the ~~Govt~~ Govt of India in employment

absence and in his case a bonus of 3 months' substantive pay was sanctioned to be paid to him on his leaving the Province - vide Pro: no 876-7 D/ 10 Sept/85. * Part V. Serial No 25

8. Colonel Mackenzie (item 5) to another Officer whose services were placed at the disposal of the Bombay Govt and he was also granted a bonus of 3 months' pay - vide Pro: no 755-6 D/ 25 September 1886. * Part VI Serial No 4.

9. A similar bonus of 3 months' pay was also sanctioned to Col Cowie (item 6) in consequence of his returning to Military duty. vide Pro: no 137-72 D/ 3 Oct/87. * Part VII Serial No. 2

10. Of the remaining ~~two~~ two Officers

(Memo 748), Surg. Butcher being a local officer was retired altogether from the Service and Surg. Barker being a British officer appears to have been transferred to that Service. In both cases, however, bonuses of 3 months' pay were granted vide Pro: Govt. No. 4966-7 dated 11th August 1890.

Part-IX.-Serial No: 18.

11. If a bonus in the present case is to be granted, application will have to be made to the Govt. of India through the Residency for sanction.

12. The pay & allowances which are being drawn by Col: Rutherford are as follow:—

Pay	Rs. 1002-4-
Fixed travelling allowance	160-0-0
" Tentage	75-0-0
	Rs. 1237-4-

My dear Sir,

In re bonus of three months' pay recommended for Col Rutherford. the Dewan desires me to write and ask you for a further explanation of the circumstances under which it is claimed. Col Rutherford's case is hardly analogous to the other cases in which a bonus of 3 months' pay has been granted in consequence of the hardship involved in ~~the~~ an Officer's Services being

being prematurely or
suddenly dispensed
with. Col: Rutherford
did not retire from the
Mysore Service on the
date fixed in the fore-
-cast Sanctioned by
the Government of India,
but had his term ex-
-tended twice. He now
retires on completion of
his full term of service
and if a bonus were
due merely on this
account or on account
of long and Satisfactory
Service it will be
due in many other
cases. In similar
cases in the past —

Such

Such as Col: Hays for
Example a bonus was
not granted. So that
unless the proposed bonus
for Col: Rutherford can
be justified by rule or
Agreement ~~promise~~ it ~~should~~ may, as
you can easily under-
-stand, form an in-
-convenient precedent.

Bangalore
12th Sept. 92.

Dear Sir

In reply to your letter of 9th inst on the subject of the bonus recommended for Col. Rutherfurd I beg to make the following remarks.

Col. Rutherfurds term of service, as was fully anticipated in the forecast of 1882, has certainly been twice extended the real fact being that his services cannot in the interests of the Dept be dispensed with. In the case of other Officers whose terms of service were extended (Major Lawrence and Mr Hudson) bonus was not withheld even although the last-named Officer was provided with an appointment in the Imperial Survey.

The forecast of 1882 was made in view of the Mysore Govt adopting the policy of employing its own Native Officers. I do not mean to say positively that this has affected Col. Rutherfurds prospects but it is possible it may have done so. Col. Rutherfurd does not retire, he remains to duties duly and he will have to incur considerable expense. I confess however that my recommendation was mainly based upon the

Memo sent 1st Oct. 1892

Memo sent 2nd Oct. 1892

(8)

exceptionally long and valuable service of this Officer who is the last of those who figured on the forecast and in whose case there was no recognised precedent need be established. There was no particular rule or agreement in the case of any of the Officers who have been granted a bonus. The bonus was so far as I am aware an act of liberality on the part of the Russian Govt and has been granted in every instance in which it has been recommended by me. Two Officers (Messrs Barker and Clerk) did not claim it. I hope the Govt will see its way to rewarding this particular Officer and not making him the sole exception to the liberal treatment dealt out to other Officers not nearly so deserving

Yours sincerely
